1. As has been the case for the last few years, the Agency is required to submit an annual report to the President's Foreign Intelligence Advisory Board (PFIAB) for the year ending 30 June 1967.

2. Attached is an extract of that portion of last year's final report as forwarded to PFIAB which covers your activities. This should provide guidance as to the length and general tenor of your contribution which should not repeat basic information contained in last year's version. Although deleted at the DD/I level last year, please include again (if appropriate) a paragraph on significant gaps and deficiencies in departmental programs and steps being taken to remove same.
